

Discover Fly Fishing!

Don Harmon III FLY FISHING SCHOOL

Presented by Central Wisconsin Trout Unlimited

June 3 & 4, 2023
Amherst, WI

44th
YEAR

Fly fishing is a sport for a lifetime.

From the beauty of being on a sparkling trout stream, the rhythmic motion of casting, the thrill of the trout's rise to your fly, to the bright colors of the trout itself, fly fishing is a captivating pursuit enjoyed by men and women for centuries.

Established in 1976, the Central Wisconsin Trout Unlimited Annual Fly Fishing School is the first and longest running instructional program of its kind in our area. This school is of great value for those who want to make their first steps into the river as productive and educational as possible. Learn to fly fish or hone your existing skills through group sessions and individual guidance from our team of instructors consisting of some of the most experienced fly fishers and fly tyers in Central Wisconsin...their combined fishing experience totals over 500 years!

We make it easy and fun to learn everything from various fly casting techniques, stream entomology, tackle selection, trout stream ethics, knot tying, fly pattern selection, wading safety, to how to play, land and safely release a trout.

This special learning opportunity includes interactive classroom, on-stream instruction and one-to-one guided trout fishing on a local stream on the final morning (unique to our school).

“Overall, a great opportunity to learn about trout and fly fishing. I truly appreciated the opportunity to learn from well-seasoned instructors, as well as the individual coaches.”
 – Derick from Fond du Lac, WI

“Excellent food, excellent staff and we had a super staff member in John, he went above and beyond.”
 – Len from Appleton, WI

“I loved the wealth of knowledge and presentation of information by all the guides! Getting into the stream & putting everything into practice was AWESOME!”
 – T. from Janesville, WI
